Round 1 report

Round 1 has been and gone and although we battled with numbers given the bookend fixtures (9.30am and 4.00pm), it was a great day out at the Crocs.

Masters vs Crocs

Great to see Nelmesy back at the club too. Played well through the middle. With respect to Irish - 'he got pinged for holding the ball after torching two teammates and the slowest bloke on the opposition caught him and took

him down. Hilarious. Rookie practices his 'tit hitting' on Monty who complains of nipple soreness. Joffa runs amok as usual as midfield hits its straps. Wal returns and he forgets he isn't at the Great Wall and doesn't need to clear it with a looping hospital pass to a team mate. Backline was not tested too often but was in good form - Selfy made some strong intercepting marks and Bero was prominent with a customary dash or three from full back.

Supers vs Freo

16 per side on field but we managed to play well. Great to see the Coxy / Paynie show. Freo only kicked 4 for the game (not that we count at all) but have to point out 25% of there score was kicked by Irish, one in the square. Much run and carry and good handball chains with Chachi being a great target up forward. BJ was involved in a couple of great pieces of play. Brett and Horts were strong through the centre. Other highlights were Boothy's ruck work all day, Jakey and Selfie kicking long goals on the run, Trav taking a good mark on the lead before kicking the goal, Bassie and BJ kicking on their non-preferred feet on the run and hitting their targets. Dan drilling a 50m pass to hit Irish on the chest who then slotted the goal and Paynie bursting through the pack at a stoppage and shooting on goal.....but hitting the post. Brett Smith got into the action repelling the ball well a few times across half-back and BOM running amok in the centre. It was a pleasure to watch the multiple Paynie and Coxy clearance combos with Brett and Dan strong through there too. Jakey's Rookiesque goal was great too.

Rookie Radio

Tune in to the AFL Masters Footy show on 91.3 Sportfm radio this Saturday between 8.15am and 8.45am to hear the 'wrath of Rookie.'

(We hope) he will be telling listeners about the mighty Wembley Vets and how we need new ruckmen, rovers, wingers and a half backline that can deliver lace out to the forwards as good as he does it...

Members database

As Smithy said last week, we are looking for your support to connect you and our sponsors so that everyone maximizes their benefit from being a Wembley Vet.

We will be asking all of you to fill out a form in the coming weeks and consent to giving those details to our sponsors.

Let's support those that support us!

Nungarin

We will play the annual Wembley v Kalgoorlie Cobber Rogers Shield game as a curtain raiser to the Nungarin Central Wheatbelt Football League fixture on Saturday 21st May which will coincide with Nungarin's 'Belt Up' Campaign day.

According to WA Masters, this will fall on an 'off week' between normal Masters fixtures.

We normally make the 3 hour journey by bus and return the same day - don't miss out!

Register your interest on TeamApp.

Paella and Payney night

After our training session on Wednesday 13th April (before Round 2), we will have a paella night and Payney will tell us more about how SmartWealth can help your investment portfolio via a short presentation.

Check out <http://www.smartwealthgroup.com.au/> or chat to Payney in the mean time.

We will have a few more sponsor's evenings throughout the season.

AFL 9's carnival - Byron Bay

Nankers needs 12 takers to join him for the Byron Bay 9s on Friday 14th October and Saturday 15th October.

Registration now open but the window is closing soon.

Winners get \$4000 and we all know that could result in a decent Sat night in Byron with that in the kitty!

Tell Nankers or Cotch you are keen tonight.

AFL Masters WA – Broome carnival

In October 2016 AFL Masters WA will again be staging a Carnival in Broome to which all players are invited to attend and participate.

The Carnival will be held between Saturday 1st October 2016 and Saturday 8th October 2016.
