Hi %%First Name%%

### Fun, Fitness & Family

Our theme is all about Fun, Fitness, and Family so we want to attract blokes who want to get fit and play an active sport and their wives/partners who want their man to be fit or improve their health at a club that is family friendly.

So forward on this newsletter to a mate that might be interested and get them down to training – first beer will be free if they sign up as a member!

### Website Re-launch

In order to be able to play, you need to be registered with AFL Master and you need to have paid your club fees to ensure you are covered by applicable insurance.

The registration process is simple and can be completed on line, go to <http://www.wembleyvets.com.au/new-player/>

Players only need to be registered once with this Association and that is when they first join.

Click on <http://www.wembleyvets.com.au/register/paying-club-fees/> to [pay your club fees](#); before Round 1 (no pay, no play). Full year playing is only \$250, Social non-playing just \$70. Player sponsorship (covering most social functions as well as playing membership) is \$500.

Payment ensures you're covered by insurance on game day, and during club training session.

Let Bessie know by next training if you are down for Masters or Supers or can play both if needed. Even better RSVP on the TeamApp
