**WEMBLEY VETERANS**  
FOOTBALL CLUB

Monthly Newsletter

Hi [%%First Name%%](#),

### WEDNESDAY NIGHT TRAINING

Traning is on tonight night, no food but plenty of recovery work after a big weekend of footy.

Read all about it, [click here for the Match Report](#), more than ably written by the Travadatcyl. Who could have known that a bass player could string more than three words in a sentence let alone write them down on paper.

I'll be looking out for more 'celebrity' match report writers to mix it up a bit.

### BALI 9

They're back, and after all the excitement they're also back to real footy... in the winter where it should be played. They had heaps of fun, and played plenty of good footy. [Click here to read all about it.](#) Cheers Rookie for the write-up, another masterful performance. As a footy player, you're a great writer.

## STAY IN CONTACT

Stay in contact by clicking on the below icons

Final last call for the Nungarin trip. Need to finalise numbers for the day trip and the night trip so we can organise transport.

Our game is scheduled for 1pm, so to ensure we get out there in plenty of time, we will be leaving Henderson Park at 7.00am. This will allow time for toilet breaks, food stops and to allow for sleeperinoners getting there late.

If you haven't already, let Wally know if you're going or RSVP on the App. There are two organised travel options for the trip (you are free to make your own arrangements).

## GET SOME GEAR

If you're like me, and your shorts have shrunk from all the washing... it has nothing to do with that extra piece of cake you've eaten. Or if you need to get new shorts, training tops, Polo Tops, and Hoodys; we have the following items in stock and ready to go:

Product	Size					Total	Price
	S	M	L	XL	XXL		
Shorts	4	1	0	5	2	12	\$ 20
Singlet	0	0	0	0	2	2	25
Polo	0	2	5	2	1	10	30
Hoody	0	0	0	3	2	5	40

## INSURANCE FOR PAID UP MEMBERS

Personal Injury cover provides financial assistance for injuries sustained whilst participating in a club related activity.

Generally, fees associated with ambulance transportation, private hospital accommodation and dental procedures are common examples of claims relating to this cover.

Benefits however can be increased through the purchase of Upgrading cover above the standard Bronze level if required.

Upgrading cover is optional and can increase the benefits of Non Medicare Medical and Capital Benefits compensation.
