Monthly Newsletter

Hi Team,

The season is in its twilight stages but a busy month ahead! Stay tuned for more later in the year as we look forward to a big 2016.

Joe Agnello

Our mate Joey has a new kidney courtesy of a transplant last Friday – we wish him a speedy recovery and hope to see him up and about soon.

Wally in China

We sent Wally packing recently and we hear that he and Andrea are safe and well in their new home of Fogang near Gwangzhou in southern China. We wish them all the best for their teaching gig and no doubt before long, we will get word back that their pupils are speaking some strange form of Chinglish, wearing cheap knock-off Hawks power ranger jumpers and punching holes in walls like Clarko!

Enjoy eating the fried insects and hope to see you soon Wally!

Last training night – Paella alla Prindi

Training per usual tomorrow night with a culinary treat to follow.

Seafood paella prepared by a wannabe chef using the finest of Prindi’s catch – don’t miss out!

Sponsors' focus

As you are aware, "Paynie" has sponsored the club for a few years now via his Mortgage Broking company SMARTWEALTH GROUP and continues to look after a number of the boys from a homeloan / business / investment loans perspective each year.

Recently, this sponsorship went to another level whereby when helping out one of the boys with some finance, Paynie donated 20% of the commission he earned from the banks back to the club to the tune of \$668 as further sponsorship (Check out the APP on this soon aswell for further details). We are still working out the best way to use these funds as Paynie would prefer it be put towards something we all need instead of just paying the bills so stay tuned for further details on this. Needless to say "everyone is a winner here" with this innovative sponsorship idea of Paynies for the club!

Paynie tells us that interest rates are as low as **3.99% fixed for 3 years** at the moment so if you need any finance help or just want to have a confidential chat about where things are at for you (which is always a good idea especially in a low interest rate

environment), get in contact with him on 0417 546 927 or darren@smartwealthgroup.com.au to arrange a private chat and the club will also benefit at the same time!

See you at training tomorrow night!
