## IMPORTANT DATES

**WEDNESDAY September 23**

AFL 9's and Nationals training.

The Wembley Vets Band made their first public appearance, Rookie's cunning linguistic skills were evident with his re-wording of Don McLean's classic *American Pie* with highlights and trolling of individuals. The band comprised of Pablo on drums, Doonan on rhythm, TK on lead, and Nunz on vocals. Next year we'll have a more complete band with a set or two of great songs for every to dance to. Anybody interested in being part of Wembley Vets Music, keep your eye on the app for a new chat room, or send Nunz an email on [nunziog@fortemusic.com](mailto:nunziog@fortemusic.com)

Wal's 3 minute cameo via video had the fans cringing and cheering too!

We also had raffles for wine bottles commemorating the 30 years, with bottle

## STAY IN CONTACT

Stay in contact by clicking on the below icons

number 1 and number 30 going for \$250 and \$110 respectively. There were also silent auctions for bottles numbered between 2 and 29. There are around a dozen numbered bottles (limited edition) left that we are selling for \$30 - see Cotch to secure yours.

And let's not forget the commemorative 30-year footballs! We can order more - see Cotch if you want one for \$90.

A huge thanks to all of the committee for putting such a great event together. There was help from outside the committee too with MC Nankers, BP, Kenny Reynolds (one of the old boys), Rocket, Monty and Jacqui (Trav is her husband - I know, he certainly is punching well above) putting in big efforts.

### Coming up

Stay tuned for more news over Spring/Summer - in planning:

- AGM - your opportunity to be part of the committee
- Xmas get together
- Strength and conditioning sessions for Joffa and those interested

### Sponsors' focus

As you are aware, “Paynie” has sponsored the club for a few years now via his Mortgage Broking company SMARTWEALTH GROUP and continues to look after a number of the boys from a homeloan / business / investment loans perspective each year.

Recently, this sponsorship went to another level whereby when helping out one of the boys with some finance, Paynie donated 20% of the commission he earned from the banks back to the club to the tune of \$668 as further sponsorship (Check out the APP on this soon aswell for further details). We are still working out the best way to use these funds as Paynie would prefer it be put towards something we all need instead of just paying the bills so stay tuned for further details on this. Needless to say “everyone is a winner here” with this innovative sponsorship idea of Paynies for the club!

Paynie tells us that interest rates are as low as **3.99% fixed for 3 years** at the moment so if you need any finance help or just want to have a confidential chat about where things are at for you (which is always a good idea especially in a low interest rate environment), get in contact with him on 0417 546 927 or [darren@smartwealthgroup.com.au](mailto:darren@smartwealthgroup.com.au) to arrange a private chat ..... and the club will also benefit at the same time!

See you at training tomorrow night!

Nunz
